

International Max Planck Research School
Quantum Dynamics
in Physics, Chemistry and Biology

One year IMPRS-QD
Symposium

Thursday, 30 October 2008, 14:00
MPI for Nuclear Physics

Guest Lectures

Prof. Rainer Blatt
Innsbruck

*Quantum Computer —
dream and realization*

Prof. Wolfgang Domcke
München

*Photostability and
Photosynthesis*

Participating institutes

Max Planck Institute
for Nuclear Physics
(MPI-K)

University of Heidelberg

German Cancer
Research Center (DKFZ)

Max Planck Institute
for Medical Research

Heavy Ion
Research Center (GSI)
