

Literature for LFV in the MSSM

Andreas Hohenegger

March 13, 2007

- Simple introduction to SUSY and the MSSM. [1]
- Famous guide to the MSSM. [2]
- Diploma thesis of Andreas Weinberger. Overview of LFV in SUSY and SUSY GUTs with short introduction to these theories. Particular interest in $\mu \rightarrow e\gamma$. Also note the references therein. [3]
- Review of LFV in the MSSM with heavy Majorana neutrinos in the framework of the SUSY see-saw. [4]
